

CITY OF FULLERTON

Public Works Department - Engineering Division

June 7, 2017

Ref: Hughes Drive

Dear Property Owner,

The Fullerton City Council, at its meeting of Tuesday, June 20, 2017, will consider a Transportation & Circulation Commission (T&CC) recommendation to designate the south side of Hughes Drive, between Nicolas Street and Bastanchury Road, as a place where parking is prohibited.

The City's General Plan proposes a Class II striped bike lane on Hughes Drive between Gilbert Street and Bastanchury Road. If approved, all on-street parking on the south side of Hughes Drive, must be prohibited to accommodate the new striped bike lane, left-turn lanes and applicable travel lanes.

The meeting will be held in the Council Chambers and you are welcome to attend. The meeting is tentatively scheduled for 6:30 p.m. If you have any questions, please contact the undersigned at (714) 738-6858.

Sincerely,

David Langstaff
Traffic Engineering Analyst
