

**FIBERSPHERE**

## **Welcome to Fibersphere**

Fibersphere is excited to announce that we have officially taken over network operations of your neighborhood's internet service and will be taking care of all aspects of customer support from now on! Our dedicated team of support professionals are ready to serve you 24 hours a day, and the same local technicians many of you have worked with for years will continue to provide exceptional service as we move forward.

Now that Fibersphere is your internet service provider please contact us directly with any questions, concerns, technical issues, or just to say hello. If you are a part of our Northern California network you will call **916-209-5127** to reach our phone support, while our Southern California subscribers can reach us at **714-923-0035**. You may also contact us via our comment form at [Fibersphere.com](https://www.fibersphere.com).

We at Fibersphere are truly excited to begin working directly with all of you, and we look forward to serving your communities for years to come.
