About Your HOA Provided Home Internet Service

Enroll Before June 30TH!

To guarantee the new GigabitNow fiber Internet service is installed prior to the current HOA Internet service being turned off in October, residents must enroll for GigabitNow service before **June 30, 2023**. If you enroll after June 30TH, your home may be without HOA provided Internet for a duration of time after the current service is discontinued. Please enroll by visiting AmerigeHeights.org and navigating to the HOA Internet tab.

If you have already been installed and activated.

No action is needed.

If you have already been enrolled but have not yet been installed and activated.

The installation teams are quickly progressing through Amerige Heights. As soon as your home is next in line to be installed a team member will call to schedule your installation appointment.

In the meantime, we encourage you to review all of your home Internet options and plans, because some choices may have been announced after you had enrolled for service. You can review these selections and learn more about what to expect during your installation by visiting AmerigeHeights.org and navigating to the HOA Internet tab.

If you have any questions or concerns about your home Internet please feel free to contact GigabitNow at any time. **Our customer support is available 24/7 at 1-800-468-3939 or by email at support@gigabitnow.com.**

6월 30일까지 등록하세요!

현재 HOA 인터넷 서비스가 10월에 꺼지기 전에 새로운 GigabitNow 광섬유 인터넷 서비스가 설치되도록 보장하려면 거주자는 2023년 6월 30일 이전에 GigabitNow 서비스에 등록해야 합니다. 6월 30일 이후에 등록하면 집에 HOA 제공 인터넷이 없을 수 있습니다. 현재 서비스가 중단된 후 일정 기간 동안, AmerigeHeights.org를 방문하고 HOA 인터넷 탭으로 이동하여 등록하십시오.
