

## Amerige Heights

*It's Neighborly Here*

Dear Residents,

We're excited to share that the Tennis and Pickleball Courts at Amerige Heights are now officially open and ready for use!

Tennis Courts #5 and #6 have been completely resurfaced and are now available for play. In addition, we've added four brand-new Pickleball Courts (#1-4), a first for our community and highly anticipated.

We've also installed new CCTV cameras around the courts to enhance security and ensure a safe environment for all users.

The courts are open daily from 7:00 AM to 10:00 PM and are available on a first-come, first-serve basis.

For those playing pickleball, games are played to 11 points with a limit of 30 minutes. We've set up a paddle rack system to help keep things organized, just place your paddle on the rack to hold your spot. To allow more residents and guests to participate, we encourage doubles play whenever possible. Please use paddles that meet the USA Pickleball Quiet Category requirements and remember that non-marking shoes are required to help preserve the court surface.

Tennis players can enjoy one-hour play sessions, with up to four players per court. Please note that pickleball play is not permitted on the tennis courts, and non-marking shoes are also required.

We kindly ask that all residents and guests review and follow the posted court rules to ensure a safe, respectful, and enjoyable experience for everyone. Please be patient, as there may be long lines, especially during peak hours.

For everyone's safety and the protection of the court surfaces, NO skateboards, bikes, scooters, or any equipment with wheels are allowed on the courts.

Use of the courts is at your own risk, and the HOA is not liable for any injuries that may occur. If you notice any misuse of the courts, feel free to contact us at [amerige@actionlife.com](mailto:amerige@actionlife.com). For noise complaints, please reach out to Allied Universal Security at 714-208-2378.

Thank you again for your patience over the past two months during the renovation. We hope you enjoy the refreshed tennis courts and the brand-new pickleball courts!

Warm regards,
